Subject: Jamesway Corporation (0937-00-00)

Dear Managers:

Jamesway has requested that the following be handled with regard to completion of the new carton/pack merchandiser in all stores (recently changed to 3' Pack Front/5' Carton Side):

> Place an almond colored flex canopy piece to the rear section of the 3' promo area wall to cover the old carton merchandiser front.
. This section is approximately 3' in width, and 13 1/2 " in height. It is my understanding that flex canopy pieces are 13 1/2" in height and 4' wide. These pieces are made of light cardboard and can be easily cut to fit in the new section.
> Affix the 3' x 13 1/2" piece to the back wall of the promo area with twin sticks. This should give the entire promo section a uniform appearance.

Please handle this request as soon as practicable, and notify me (via Voice Mail # 43778) when all stores in your respective Divisions have been completed.

If you have any questions regarding this request, please call me.

As always, thank you for your valued assistance.

Regards,
Nick
G. N. Kuruc, Jr.
